Mobile center offers pregnancy tests, resources to East Texans

And even the front page

The heart of man plans his way, but the Lord establishes his steps. Proverbs 16:9

A year ago we were headed to the Philippines, and still are, but stepped right into the middle of God moving here in East Texas. We were ready to go to the Philippines, but because of COVID the borders were closed. Thinking it might be a small wait, we visited East Texas where we used to live and God made it very clear what He had for us to do here. We offered our services to LivingAlternatives.org (a ministry of YWAM) and found out they were looking for someone with Patti's skills and experience to lead their mobile ministry. With Patti on-board and with God's provision, they were able to buy a vehicle, build a garage, find a mechanic, train volunteers, write procedures, and go out into communities at least 3 times a week. They launched services in the middle of July and have had 120 appointments, 99 patient visits, 65 pregnancy tests, 66 bottles of prenatal vitamins given away, 47 ultrasounds and many who were going to abort deciding to carry to term. The numbers grow weekly. Thank you for your support as we do mission work here, and as we continue to run things and help in the Philippines from a distance. We can't do this without you!

Have a Joy Filled Merry Christmas!

Love you, Marko & Patti

Feeding 1500+ people in our village

"Thank you so much!"

"Grateful for the blessing"

"I am hungry, can barely wait. Thank you"

"Thank you let's eat!"

With the pandemic and fishing restrictions, the conditions are hard for our friends in the fishing village of Pandan, Mindanao. All of these pictures show the real conditions that they are going through, and have quotes from the families that express their thankfulness.

"THANK YOU, THANK YOU, THANK YOU!"

"Daghan Salamat!"

How do you feed people during a pandemic?

You navigate travel restrictions and curfews, hire drivers and workers, and getting volunteers. It is definitely a challenge, but a worthwhile one that Zoe has had the privilege to do a few times now during this pandemic. This fills a great need that without your prayers and financial support would not happen.

"God bless you more"

"SALAMAT SA GI-NOO!"

"We are grateful, thank you!"

"DAYGON ANG DIOS"
